

2024

VALID TO 31 Dec

Australasian Certification Authority for
Reinforcing and Structural Steels Ltd

CERTIFIED SUPPLIER
www.steelcertification.com

CERTIFICATE OF APPROVAL

Traceability Scheme Certification

This is to certify that

DITH Australia

at

**Level 30, 31 Market St
Sydney NSW Australia 2000**

has satisfied the Authority that it complies with the rules of the ACRS Traceability Scheme, and the relevant requirements of ACRS Quality and Operations Evaluation Procedures. Where appropriate, and as listed on this certificate, it has further satisfied the Authority that it supplies products that conform with the standards listed, and is entitled to use the ACRS Traceability Scheme mark in relation to its supply of the products listed on this certificate.

SCOPE OF CERTIFICATION

Traceability Scheme Certification

Purchase and supply, including utilisation of sub-contracted transportation, warehousing, stocking, and distribution facilities, in accordance with the ACRS Traceability Certification Scheme of the materials Approved under the ACRS Product Certification Scheme.

Products supplied to the Standards listed on this may only be relied upon as having the benefit of ACRS Product Scheme certification only if manufactured or fabricated by an ACRS Certified Firm with the appropriate Scope of ACRS Certification.

For Approved products, refer to the supplier's ACRS Manufactured Product, and/or ACRS Fabricated Product certificates. Where in doubt, contact ACRS directly.

This certificate remains the property of the Authority and is issued subject to the Regulations of the Authority.
